

STC35 CLOSEOUT

PRICE: \$4625

CONCENTRATION

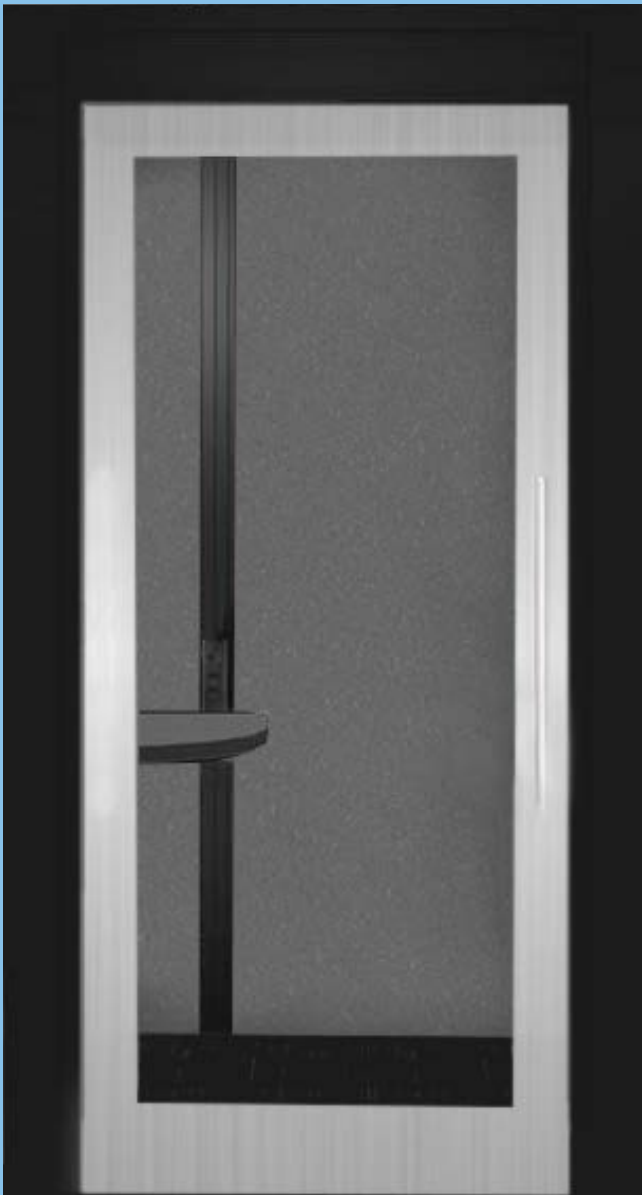

Zonex 4x4 Concentration STC35 Privacy Suites are free-standing units providing single users high levels of visual and acoustical privacy for their conversations in open office environments. Each enclosed privacy suite provides a high level of visual and acoustical privacy. Acoustical privacy levels can be tuned to meet product application and placement needs.

Zonex privacy rooms can be assembled in less than an hour, requires only an electric source, and can be easily disassembled and moved. Zonex products come with a limited 10-year warranty.

- STC 35 Rating, keeps your concentration level high and your conversations private
- Engineered ventilation fan allows continuous air flow while you work
- Automatic, motion sensor lights keep your energy efficient and out of the dark
- Built-in power outlets and USB ports ensure your devices stay as charged as you are
- Automatic, self-closing door keeps your ideas in, and noisy office discussions out
